Introducing CLUB X

Club X is EvoLibri's support group for Spectrum adults ages 21 and older. Our core group meets on the third Sunday of each month at 7 pm at EvoLibri's office. Our meetings are potluck, so we ask that you bring something to share with the group. Meetings are led by Jan Johnston-Tyler, and generally involve a structured activity such as a group game to loosen the group up and have some fun, and non-structured time to check in and chat with each other. Club X is a private group in that you must be 'approved' by the moderator. In reality, what this means is that participants must be largely able to control impulsivity and negative behaviors, and be willing to participate in social activities. Meeting are free, but we kindly ask for a donation of \$10 to cover costs.

We also encourage **Member Sponsored Events** – These events are hosted by other Club X members, and are open to other current members. We encourage our members to find activities they would like to participate in and then invite other members to join them. Please submit details for your sponsored events to info@evolibri.com, and once approved, we will post the information on the Club X Calendar. Please be sure to include location, date, time, cost, activity, your contact information and how many people may participate.

All EvoLibri social events are open to all current and past clients of EvoLibri , or non-clients who have been screened screening. These are private functions: participants may be asked by the principal to leave a group because of recurring issues with staff or other members.

Registration: All calendars, registration, communication, and RSVPs are managed through Meetup.com. **You must register through Meetup in order to get the most up-to-date invitations to events and to RSVP.** Please, no exceptions! *PLEASE SEE REVERSE FOR SIGNUP INFORMATION!*
